IELTS Writing Task 2 - Band Scores Score Elements Of Band 5 Band 6 Band 7 Band 8 Challenge Response Challenge is considered vaguely. There are pointers on the general topic, but not on specifics. Opinion may be unclear. Ideas have nothing to do with the topic and are not clearly expressed. There are no proper openings or closing passages. The topic and issues that are being addressed are still vague. Their side/opinion is clear. The basic ideas are relevant. Supportive ideas are not relevant. The final passage may be obscure or repetitive. All the issues and issues in the task have been resolved. Their opinion/side on the topic is clearly presented. Opinions are supported by reason and examples. There may be an obscure point of support rather than a separate point. The addresses of all parts/questions in the essay are clear. A clear side is taken and the reasons for this opinion are done in each paragraph of the essay. The basic ideas are relevant. Support for ideas is clearly explained by examples. Consistency and cohesion Content in paragraphs is not structured properly. The vocabulary used may not be appropriate or suitable for this topic. Repetition can happen due to lack of ideas. The information is effectively organized into the points. The binders can be used, but not accurately. Links are used, but it is not clear. The information is effectively organized into the points. Each paragraph is devoted to one central theme. A good range of binders is used, but sometimes they may also be overused or underutilized. The links are made good. The information is effectively organized into the points. Each paragraph is devoted to one central theme. Communication and consistency in the aisle are excellent. The Lexical Response Is a Minimum Range of Vocabulary. Spelling errors or incorrect formations of words. Ideas are not passed properly to the examiner (i.e.) poor use of language. A fair range of vocabulary is used. Some unusual words are used, but can be used incorrectly. Ideas are clearly conveyed. Spelling errors or incorrect formations of words are less. A good range of vocabulary, specific to a topic/question or ideas. A decent number of less common words. Using style and collocations. Accidental spelling errors and incorrect word formation. A wide range of vocabulary specific to a topic/question or idea. A sufficient number of less common words are used correctly. Rare spelling errors and incorrect formations of words. Grammatical range - Precision Limited range of supply structures. Mistakes of grammar and punctuation. Poorly constructed sentences/paragraphs w.r.t to the language. Complex proposals with proposal structures cannot be used. Simple and complex sentence structures will be used. Restricted grammatical and punctuation Sentences/points that convey meaning to the reader. Many complex supply structures. Offers without errors. Grammar of free offers. Offers, and punctuation errors from time to time. Most offers are error-free. A variety of complex supply structures. IELTS Writing Task 2 Tips IELTS Writing Challenge 2 is the second part of 2 written tasks and is one of the most challenging parts in the IELTS test as a whole. Most students also find it to be harder compared to writing Task 1. What should you know about TASK 2? You will have 40 minutes to complete this task. The essay should consist of 4-5 points, including the introduction and final paragraph. DO NOT use too many body paragraphs or too many paragraphs. It will take about 2-3 body points. Use the correct grammar/vocab to convey your ideas or points. (e.g.) Words used to give reasons - because, because of. (or) the words used to contradict the dots - however, but though. Plan an essay Determine what is asked in the question. Do you have to write for both sides or should you choose a side? Do you have to answer all the questions? Do you have to convey the pros and cons alone or should you give your opinion? Brainstorming highlights. Create your own paragraphs. Gather your support points for your central idea of each paragraph with examples. Check out TASK RESPONSE to check how many questions you have been asked. Did you answer all this? Were you told to pick a side? Did you pick a side? Are all your paragraphs focused on one central theme/idea? Do these ideas have points of support and answers? Remember that you are not rated for your knowledge, but your ability to put your thoughts through in essays using English. While relevance is one of the factors you evaluate, it's not the only factor. Don't waste too much time making content perfect! General essay types may be based on direct questions, discussions, pros or cons, decisions, opinions, and so on. It can vary from one teacher to another depending on how comfortable they are in passing on the knowledge they have. Opinion Essay: An opinion essay in which you have to explain the topic based on the opinions that you have regarding the topic. How to plan your opinion essay: Read the question correctly and select the face/opinion. Know what your opinion is. Find out why you have such an opinion. Know the reasons for your essay for them to act as highlights. List your reasons for support and examples. An example of a question for essay opinion: Many people say that the only way to guarantee a good job is to complete a course in university education. Others argue that it is better to start working after school and gain experience in the world of work. How far do you agree or disagree with the above views? Give a reason for your response and include any relevant examples from your knowledge or experience. Essay Discussion: In the discussion of the essay, the topic together with the two statements are given. You are asked both opposing statements and support points for both statements. Opinion is given only when asked. How to plan your discussion essay: Read the question correctly and understand if you should give an opinion. If you don't, think about the basic ideas that revolve around both statements. If you do, think about opinion and the basic ideas linking that opinion. Think about support points and examples related to the basic idea. An example of a question to discuss an essay: Some people prefer to directly help or support people who need it in the local community, however, others prefer to give money to national or international charities. Discuss both opinions and give your own opinion. Write at least 250 words. Advantage or Disadvantage Essays: In this type of essay, the topic is given and you will be asked to write for and against that particular topic. Then you should discuss the positive and negative points of the essay topic. However, sometimes you may be asked to discuss your opinion too, so in such cases, you should use another body item to explain your opinion. How to plan your pros/flaws essay: Read the question correctly and understand if you have to give an opinion. Make a list of the pros and cons that you want to write about in your essay. Make a list of points that support each advantage or disadvantage. If you have to give an opinion, make sure you have reasons to support your opinion. Example of the issue of benefits/disadvantages: Some people believe that young people should be obliged to do unpaid work to help people in the community. Are the disadvantages of this requirement greater than the benefits to society and individuals? Write at least 250 words. Decision Essays: In solving essays, the topic will be given regarding the normal problems or issues faced by people and you will be asked to give a solution. Sometimes the question may also be why this particular question occurred and you may be asked to give your opinion based on the questions. How to plan an essay to solve a problem: Make a list of problems related to this topic. 2-3 problems can be taken. These problems need to be addressed. Create your paragraphs so that the problems are in one paragraph and solutions in another (or) paragraphs, consisting of a problem and a solution. An example of an essay on the causes: People today do not feel safe at home or when they are not present. What are the reasons? What are the solutions? Write at least 250 words. Direct Question Essays: These essays are a little difficult compared to another type of essay as you won't be given a direct assignment, but some general questions and based on these questions you will have to answer the essay. You can give different paragraphs for all general questions. How to plan a direct question essay: Read the questions asked. Focus on each question individually. Find out the answer each question separately. Separately, answers should have a core point, supporting points to your core moment and examples. Double check if all the questions have been answered before you start writing the answer. An example of a direct essay question: World natural resources are being consumed at an increasing rate. What is the danger of this situation? What do we do? Write at least 250 words. Now that you have an idea of how to score well in IELTS Task 2, you can go ahead and practice the following elements that will help you score a high streak in the test.
